Integrity Loan Review is dedicated to loan portfolio management for community based financial institutions. We work with you to customize your engagement to meet the current needs of your credit team. Our services can include underwriting and credit analysis for new or existing customers, credit analysis for the loan renewal process and prepare annual reviews and updates. We will provide a pre-determined delivery turn-around that meets your needs and the needs of your customers.

Our role in performing underwriting and credit analyst services brings over 20 years of commercial banking experience to your team. This experience understands the hot buttons and areas of concern for your customers in various industries. We will work with you to provide to you the credit information you need to best decision your credit opportunities and assist in the pricing decision. In addition to credit risk, our role also allows us to have discussions with management regarding process risk and provide recommendations for best practices.

We view our role as an extension of your risk management team to provide you the experienced underwriting services you need. We appreciate the trust you have placed in us.
