

ROBERT EIFEL, CONSULTANT

ABOUT ROB

Rob has 25 years in the banking industry working in commercial, real estate, agricultural lending, commercial credit analysis, and loan review. He has held the positions of Commercial Lender, Vice President Senior Credit Analyst, and Vice President Chief Credit Officer.

Rob has worked primarily for financial institutions throughout his career. He spent 20 years combined working for the National Bank & Trust Company (now Old National Bank) and Resource Bank.

Rob's responsibilities as Chief Credit Officer included implementation and oversight of all credit policies, loan operations, loan servicing departments, and managing a team of credit analysts and internal appraisers.

EDUCATION

Rob earned a B.S. in Finance from Northern Illinois University. He has completed numerous coursework through the Appraisal Institute and Risk Management Association.

CERTIFICATIONS & PROFESSIONAL ASSOCIATIONS

Rob served as a subject matter expert for Risk Management Association's Credit Skills Certificate Series and as a guest lecturer at Northern Illinois University, Department of Finance.
